Dear Emile:

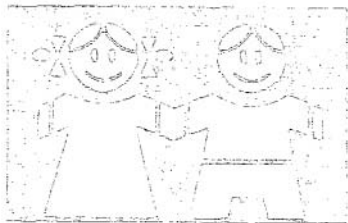

Thank you for your support of the Children's Miracle Network Telethon benefitting Children's Hospital. This year we raised over \$593,000 for the healthcare needs of children in our community.

The success of the telethon can be measured by the sum of its contributors. Your generous donation of food cooked during the telethon was again a long awaited treat for our hungry volunteers and staff.

I have enclosed a candid picture of your cooking segment for your files.
Thanks again for your support of Children's Hospital.

Sincerely,

Cathleen Randon

Dear Emile:

Thank you so much for your donation of the on-air breakfast, gift certificate for the fruit/cheese tray, and Taco Boats that helped us feed our wonderful volunteers during the Children's Miracle Network Telethon benefitting Children's Hospital. We had over 500 volunteers working the telethon this year, some of them for the entire 21 1/2 hour period. We couldn't have done it without you!!

Our total when we went off the air this year was over \$593,000, which is more than 1993, and money continues to come in. Again, all of this money stays in New Orleans to help the children of our community and the entire Gulf South region.

This thank you letter is on behalf of the Board of Trustees, the Administration, the staff, the volunteers, and especially the thousands of patients who are served by the hospital.

Once again, thanks for your support of Children's Hospital. You will be hearing from us soon about a Telethon Thank You party. We hope to get the chance to meet you and thank you in person.

Sincerely,

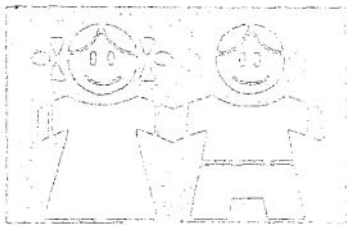

Missie ☺

Thanks for everything !!
