Dear Emile:

On behalf of the abused, neglected, and homeless animals housed at our Mardi Gras Blvd. shelter in Algiers, we thank you so much for your generous participation in our Howling Success fundraiser, held October 19, 2007. Although this acknowledgement is shamefully late, I didn't want the year to pass without expressing our gratitude for your care and concern for the animals.

We are very appreciative of friends like you who support our work and the good we are able to do throughout the Greater New Orleans area. You are the reason we can continue with our mission of anti-cruelty; giving care to those who desperately need our help.

Recently we completed our Holiday Pet Photos, a fundraiser we have each year partnering with Gulf Coast Doberman Rescue. Our Saturday Santa sent the picture to the left as an example of the "pay" he receives for the hours of volunteering he put in. I wish we had a picture representing your involvement with Howling Success. If the animals could talk I can only imagine the wonderful things they would say about you!

They would certainly thank you for the gift you gave through your participation!

Warmest regards,
