Dear Chef Emile,

Please accept our thanks for the generous donation of herbal chicken pasta valued at \$300.00 that you made to the Ochsner 2009 **party 4 peds** event. Your contribution is crucial to the continued success of our event.

All proceeds from **party 4 peds** will benefit Ochsner Pediatric programs and funds such as *Reach Out and Read*, a literacy program for our pediatric patients that distributes new books to children, encourages family reading and helps physicians better diagnose communication disorders by using books during well child visits, the Pediatric Family Assistance Fund and Pediatric Academic Innovative Fund.

I am pleased to share the 2009 **party 4 peds** event was a huge success netting approximately \$110,000 for Ochsner Pediatrics! We credit our success to the wonderful food we feature at the event from generous companies such as Aurora Catering. On behalf of Ochsner as well as our young patients, thank you for contributing to this worthwhile and fun event.

Sincerely,

A handwritten signature in cursive script that reads "Susan Guidroz".
